## **Media Policy Effective Immediately!!**

Sherman County Speedway would like to inform any and all competitors, participants, crew members, and friends that the use of any social media networks or forums to post **ANY** negative conduct via the internet or text messages, may be grounds for suspension or revocation of their driver or any affiliated driver and/or may result in the offender being banned from participating in an event sponsored by the Sherman County Speedway. This can also result in being banned from social media sites. Fines will be issued and strictly enforced. This is also an IMCA policy (General Rules #12 and Automatic Penalties #8) and will also stand for our non-IMCA class. The policy includes harassment and/or negative comments directed toward the facility, board members, any and all workers the board has contracted to work any events.

**Consider this your 1 and ONLY warning!!!**
